EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
M.Des	Department of Design (DoD) Indian Institute of Technology, Guwahati	9.00 (Current)	2019 - Present
B.Arch	Rajalakshmi School of Architecture, Chennai	7.31	2018
Senior secondary	State board	88.0%	2013
Secondary	Matriculation board	91.0%	2011

EXPERIENCE

- TEDMINT Internship 2020** Mar 2020
TED MINT, Technology-Economy-Design, Multi-disciplinary International happened at Campus Varnamo in collaboration with Hags in Aneby, Sweden.
The TED MINT project is an one week intense workshop, virtually collaborated between IIT Guwahati in India, and JTH - Jonkoping Technical University. This project provided an opportunity to experience an interdisciplinary setting with people of different interests and culture. Worked towards creating a new range of outdoor furniture for Urban parks in Scandinavian countries in collaboration with HAGS, a leading manufacturers of outdoor furnishing solutions.
- Planning Assistant at L&T Constructions, Coimbatore.** Nov 2018 - Feb 2019
Analyzing and monitoring the execution of project on providing underground sewerage system for added areas of Coimbatore municipal corporation.
- Intern Architect at Cibi & Simeon Designs, Chennai.** Dec 2016 - Mar 2017
Worked directly in handling residential projects and had worked in many school projects. Had experience in construction site and learned how building construction theories turns out in practical life as a product.
- Intern Architect at Akbar Khan Associates, Calicut.** June 2016 - Oct 2016
Worked in many residential projects understanding construction methodologies, materials used in Kerala based on their climatic conditions and learned making detailed construction drawings.

PROJECTS

- Design Thinking in Rural School Education in India** Ongoing
Project Mentor: Dr. D. Udaya Kumar, Dept. of Design, IIT Guwahati
- Reimagining Thirukkural, A classic Tamil Literature** May 2020
Project Mentor: Dr. D. Udaya Kumar, Dept. of Design, IIT Guwahati
The project aimed at bringing better awareness about the book, Thirukkural amongst the children of age 6-18, bridging the gap of language barriers. The project attempted to make illustrated narrative of the couplets in order to grab the interest of the reader and also help them learn better.
- A Prototype of Inclusive School** May 2018
Project Mentor: Prof. Babjee Singaram,
The project involved in creating a prototype for inclusive school which has no boundaries and it shall act as a combination of mainstream and special schools.
- Urban Design - George Town, Chennai.** Dec 2018
Project Mentor: Prof. Ar. Vennila, Prof. Ar. Mary Mathew
Involved and contributed on documenting, analyzing the area and bringing up solutions to the existing problem without altering the historic essence of the place. Had experience in on ground survey with the users and understand them. Also involved in making layers of mapping for the study.

TECHNICAL SKILLS

- **Software skills** : Adobe Photoshop, Adobe Illustrator*, Adobe Indesign, Blender3d, Autodesk AutoCAD, Google SketchUp, Microsoft Office tools.

EXTRACURRICULARS

- **Prayoga 2016** : Attended a 2-day workshop on Parametric Architecture conducted by Ar. BalaMaheshwaran (CEPT) and Conservation mapping of Armenian Church at Chennai, conducted by Ar.Divya Chakravarthy.
- **NASA India 2015** : Entry for ANDC and Reubens Trophy in the National level contest conducted by National Association of Students of Architecture.
- **Tecutsav 2014** : Secured 1st position in the Design Invento contest at Thiyagarajar Engineering College, Madurai.

KEY COURSES TAKEN

- | | |
|--|--|
| • Design-An Introduction | • Visual Design - Principles and Applications |
| • Design Methods | • Ergonomics |
| • Graphic Design | • Structural Packaging |
| • Form Studies | • Collaborative Design Methods in New Product Development* |
| • Creativity Innovation and Design Management* | |
| • Design Semantics* | |

** To be completed in Nov 2020*
